

HURDLE RACE

➤ **ABOUT:-**

It is a fun game in which participants have to cross some mathematical hurdles in order to unlock new levels of hurdles.

➤ **ELIGIBILITY:**

- Students of class 9th to 12th

➤ **RULES:-**

- Team of 3 will be entertained.
- First person is given a hurdle in a form which he/she has to solve. When he/she will solve it completely and correctly, then only the next hurdle will be placed in front of second member of the team.
- The similar process will continue and at last the whole team will face the final hurdle.
- The teams who will solve it as soon as possible will be the winners.
- There will be prizes for first three teams.
