Attention of Scholars joined direct Ph.D., and Scholars upgraded to Ph.D from MTech., MS (by Research) and MSc., programmes

As per Senate No. 266th Resolution No.52/2014 under AC .10 of Item A8, Scholars who joined Direct PhD as well as Scholars upgraded from M.Sc., M.Tech and M.S (by Research) shall complete the following course work requirements for award of two degrees mentioned below.

- 1.Scholars upgraded from M.Sc. to PhD program will receive (M.Sc+PhD) degrees
- 2.Scholars upgraded from M.Tech. to PhD program will receive (M.Tech.+PhD) degrees.
- 3.Scholars upgraded from MS(by Research) to PhD program will receive (MS+PhD) degrees.
- 4.Scholars admitted to Direct PhD program will receive (MS+PhD) degrees.

(a) Scholars upgraded from M.Sc. to (MSc+PhD) programme

- 1.All the course requirement of M.Sc. program excluding project will have to be completed.
- 2.In lieu of project, Scholars of Chemistry and Physics Departments will have to do 2 special courses viz., XX6999 and XX7999
- 3.Scholars of Mathematics Department will have to do one special course viz., XX6999 in lieu of project (as the project credit requirement is 3)
- 4.Scholars shall complete all courses prescribed by DC towards PhD requirements.

(b) Scholars upgraded from M.Tech. to (M.Tech+PhD) programme

- 1.All the course requirement of M.Tech. programme, excluding project will have to be completed.
- 2.In lieu of project: Scholars will have to do two special courses viz., XX6999 and XX7999
- 3.The Scholar shall do the courses prescribed by DC towards PhD requirements

(c) Scholars upgraded from MS(by Research) to (MS+PhD) programme

- 1.Scholars shall complete the courses prescribed by the GTC and DC.
- 2.Scholars will have to do two special courses, viz., XX6999 and XX7999 towards partial fulfillment for the award of MS Degree

(d) Scholars admitted to Direct PhD programme will be eligible for (MS+PhD) degrees

- 1.Scholars shall complete the courses prescribed by the DC
- 2.Scholars will have to do two special courses, viz., XX6999 and XX7999 towards partial fulfillment for the award of MS Degree

The requirement for these two courses are defined as follows:

Course No.	No. of Credits	Requirement
XX6999 XX stands for name of the Department	3 credits (Those joined up to June 2015 semester) 9 credits Those who joined from July 2015 semester onwards	Scholar has to 1. Submit a report on critical review of Literature to the Evaluation Committee and 2. Present a seminar to the Committee
XX7999 XX stands for name of the Department		Scholar to 1. Submit a report on simulation/ preliminary experimental / analytical verification of prior-art to the evaluation Committee and 2. Present a seminar before the Committee

Evaluation Procedure:

1. An Evaluation Committee comprises of Chairman, Doctoral Committee, Guide and one faculty member nominated by Chairman DC will be constituted by the Department.
2. The Evaluation Committee will grade the course.
3. The Chairman DC will upload the grade in Workflow
4. The Scholar shall register for the course through workflow during registration, and if they want to register in the subsequent semesters can do so, provided these courses should be completed for fulfilling the award of degree.
